Website : www.malikarchitecture.com

As an intern, was a major part of 3 projects which were in design development stages. Diverse projects enabled me to learn to work with different client briefs and requirements.

Key Projects

1. Mathrubhumi studio & office Cochin, India	Mixed use commercial space - Study model, Presentation drawings & presentation for the client
2. Sathya divinity housing Manor, Gujarat India	Study model - massing and openings. Detailed sections with FF&E.
3. Gurunanak Super-speciality hospital, Mumbai, India	Planning & renovation proposal, Detailed material listing and quantification
4. Adhiraj Township Kharghar, India	Concept development and design of site office.
5. Prozone Commercial Mumbai, India	Study model & facade treatment

Studio for environment and architecture (SE-ARCH)

Location : Mumbai, India
Time period : December 2015 - March 2017
Position : Junior Architect
Website : www.se-arch.com

Was primarily involved in 2 hospitality projects of 80 keys and 170 keys. The main role was design and concept development, coordination with consultants, client presentation as well as material selection for overall look and feel of the projects. Makaibari, was a tea estate so it also involved landscape planning. I was also responsible for the managing and allocating work to two interns.

Key Projects

1. Makaibari Kursoeng, Darjeeling, India Operator : Taj Hotels	Design, Working Drawings, Client Presentation, Storm-water planning
2. APCO Hotel, Lucknow, India Operator : JW Marriott	Design and planning of spa, gymnasium and wet areas

• Curatorial & Publication

Installation & land art project - Aeolis : Oerol

Location :
Terschelling, The Netherlands

Time period : June 15th 2018 - June 28th 2018

Published :
Yearbook of Landscape Architecture And Urban Design In The Netherlands 2019

Part of a team of 15 MSc students for the design, construction and curation for a natural coastal defense land art project. Apart from the design and on-site construction, I was responsible for curation and social media management. It also included explaining the visitors and daily data collection.

Architecture of Shame at Matera Basilicate 2019, European Capital of Culture Exhibition

Location : Matera, Italy

Time period : 23rd July 2019

Published :
Architecture of Shame

In collaboration with Un-war space, Mostar, Bosnia & Herzegovina, 12 MSc students from the graduation studio dealing with post-war cities with the main focus on Mostar created an archival object which looks at river Neretva, in Mostar as a ruin. The object is an amalgamation of seven different stories about the river and the city and was exhibited as a part of the larger exhibition 'Architecture of Shame'.

• Freelance

3 BHK Apartment
